

Innovation Challenge Grant Application

CONSERVATION
MINNESOTA

minnesota waters

With support from Molson Coors, Conservation Minnesota will award a **\$1000 grant to one Minnesota Waters association in each of our four membership levels** (under 50, 51-150, 152-300, and 300+ members).

Project work should be completed by fall 2021. Associations must be in good standing with Minnesota Waters and **submit the grant application by September 28, 2020**. Conservation Minnesota will then review proposal and announce winners in October.

You may attach extra pages of description or documentation to this application.

Name of Lake Association

Number of Association Members

Which of the following is the main challenge your body of water faces that you want to address.

Aquatic Invasive Species

Increasing Access

Water Quality

Other (explain below)

Habitat Improvement

What is your innovation idea?

How quickly do you expect to see noticeable results?

What will the \$1000 grant be used for?
