

Department of Natural Resources Designation of Infested Waters

May 2, 2011

Pursuant to the provisions of *Minnesota Statutes*, including but not limited to section 84D.03, subdivision 1 the following described waters are designated infested waters. New infested waters were designated by a Commissioner's Order INF-10-004 that was signed on December 15, 2010 and became effective on December 27, 2010. Commissioner's Order INF-11-001, which makes technical changes to lake names and public waters numbers for previous designations, was signed on April 21, 2011 and became effective on May 2, 2011. The additions and modifications of previous designations are underlined and deleted text is shown with strikethrough.

A lake in more than one county is listed under the county corresponding to its public waters inventory number, but the designation applies to the entire lake. Lake Superior and designated portions of rivers that flow through more than one county are listed under the heading Multiple Counties. Ponds and wetlands that are not on the public waters inventory are listed with "none" in the number column. Rivers and streams on the public waters inventory are listed without a number in the number column.

Waters infested with Brazilian elodea.

The following water bodies are infested with Brazilian elodea (*Egeria densa*).

Name	DNR Public Waters Inventory Number
Hennepin County Powderhorn Lake	27-0014

Waters infested with brittle naiad.

The following water bodies are infested with brittle naiad (*Najas minor*).

Name	DNR Public Waters Inventory Number
Dakota County Lac Lavon	19-0446
Hennepin County <u>Round Lake</u>	<u>27-0071</u>

Waters infested with Eurasian water milfoil.

The following water bodies are infested with Eurasian water milfoil (*Myriophyllum spicatum*) or its hybrids.

Name	DNR Public Waters Inventory Number
Anoka County	
Cenaiko Lake	02-0654
Centerville Lake	02-0006
Coon Lake	02-0042
Crooked Lake	02-0084
