

Granite Lake Association.  
2102 County Rd 5 NW  
Annandale, MN 55302

Dear Granite Lake Property Owners:

The Granite Lake Association has contracted with PLM Lake and Land Management Corp to treat Eurasian Water Milfoil, an Aquatic Invasive Species, in Granite Lake in 2018.

The Minnesota Department of Natural Resources has granted to the Granite Lake Association a waiver of the requirement that the association obtain the signatures of approval of owners of lake-shore property. Instead, the Granite Lake Association will notify property owners of the treatment through alternate form[s]. This letter is one form that the Granite Lake Association is using to notify property owners. Other forms [may] include notification on the Association web page, local news publications and during the Granite Lake Association annual meeting.

With regard to the treatment for this year, 2018:

1. The proposed timing for treatment: **June-August**
2. The target species for the treatment: **Eurasian Water Milfoil**
3. The method of control or product being used: **Aquatic Herbicide**
4. If landowner does NOT want treatment to occur adjacent to the landowner's property: fill out the form below and notify Andy Wilde immediately at the following address, phone number and email address:
