

Granite Lake Association.
2309 Kimball Ave NW
Annandale, MN 55302

Dear Granite Lake Property Owners:

The Granite Lake Association has contracted to treat Eurasian Water Milfoil, an Aquatic Invasive Species, in Granite Lake in 2019.

The Minnesota Department of Natural Resources has granted to the Granite Lake Association a waiver of the requirement that the association obtain the signatures of approval of owners of lake-shore property. Instead, the Granite Lake Association will notify property owners of the treatment through alternate form[s]. This letter is one form that the Granite Lake Association is using to notify property owners. Other forms [may] include notification on the Association web page, local news publications and during the Granite Lake Association annual meeting.

With regard to the treatment for this year, 2019:

1. The proposed timing for treatment: **June-August**
2. The target species for the treatment: **Eurasian Water Milfoil**
3. The method of control or product being used: **Aquatic Herbicide**
4. If landowner does NOT want treatment to occur adjacent to the landowner's property: fill out the form below and notify Tim Waldschmidt immediately at the following address, phone number and email address:

Granite Lake Association.
2309 Kimball Ave NW
Annandale, MN 55302
E-mail: andy.wilde@comcast.net
Phone: 651.895.6342

Sincerely,

Granite Lake Association, Board of Directors

I request that no herbicide treatment occur adjacent to our shoreline property.
