

HARVEST DINNER — August 25, 2018 3:30 PM
SunUp Ranch
12316 Co Rd 18 SW
Brainerd MN

Now in its 9th year, the Harvest Dinner brings the community together around an interest of stewardship and friendship. Farmers, those on the lake, and this year fishermen from the Gulf.

The event features a locally produced dinner, live music, demonstrations, horse drawn wagon rides, wine and local brewery tastings.

This year the Harvest Dinner is excited to welcome Gulf Coast guests who fish for a living. They will give a presentation on the health of the waters they fish. Oh yes, there will be seafood on this year's menu.
